PROFESSIONAL EXPERIENCE

Operations & Executive Support (Contract)

Nov 2025 – Present

C-Suite Success – CEO Advisory (Remote)

- Built 10+ SOPs and operational systems (vendor coordination, workflow handoffs, prioritization) with 100% team adoption and 50–67% faster turnaround.

Manage day-to-day operational infrastructure for the CEO: scheduling support, status tracking, vendor outreach, and cross-functional follow-through.

- Triage 150+ emails weekly with zero errors; maintain internal documentation and process guides.

Coordinated offsite networking event end-to-end: venue sourcing, catering, logistics, attendee outreach, and on-site hosting.

- Operate within a professional-services environment requiring confidentiality, precision, and executive-level communication.

Assistant Manager, Operations & Front Office

Sep 2025 – Present

Weldon Barber

- First point of contact for ~250 weekly guests in a 13-person professional-services environment; oversee check-in, visitor management, and front-office readiness.

Maintain accurate inventory of ~300 retail, service, and operational supplies using Booker POS and Excel-based tracking systems; reconcile discrepancies and ensure availability.

- Coordinate vendor relationships and manage office/employee supply operations.

Oversee facilities operations for all technological, employee, and guest usage; diagnose root causes, document incidents, and escalate tickets to IT/HR through resolution.

- Support onboarding: system access, Day 1 setup, training schedules, and completion of operational checklists.

Operations & Events Associate

Aug 2025 – Present

Pure Barre

- Serve as primary front-office contact for 300+ weekly clients; manage check-in systems, visitor support, and client experience.

Manage operational readiness across supply inventory, equipment rooms, and client-facing spaces.

- Planned and executed 16 community and partnership events (15–200 attendees): vendor coordination, logistics, materials, supply management, and post-event follow-up.

Support onboarding and day-to-day coaching for 10 staff members.

Behavioral Technician (Operations & Coordination)

Feb 2024 – Mar 2025

Amergis

- Coordinated 30 interdisciplinary meetings end-to-end: agendas, documentation, supply prep, and stakeholder communication.

Built organizational systems saving ~400 hours annually across multi-site teams.

- Maintained confidential documentation with HIPAA-aligned handling.

Supported 300 students through structured, data-driven systems and cross-functional collaboration with educators, clinicians, and administrators.
